Why join the Friends?

Friends of the Library strengthen community ties by sharing a passion for books and learning, taking on fundraising efforts, assisting with programs and events, and sponsoring special programs for children, teens, adults and seniors.

About Friends Groups in the Hennepin County Library

Library Friends groups support their local library through volunteering in the library, raising funds, and speaking up in the community on behalf of library programs, services and value to the community. Local Friends are library ambassadors in their own community. There are Friends groups throughout the Hennepin County Library with membership open to all.

Visit www.supporthclib.org for more information.
